

Business Vision and Strategy

During these sessions Oscar Henry will explore the inter relation between Vision and Strategy, and how these sit at the heart of a progressive business. Oscar Henry will seek to support the business leader's develop the practical outputs from this discussion in a flexible and proactive way.

In undertaking this exercise, Oscar Henry will be drawing on the experience of the appointed consultant in delivering a mix of, one to one and collective sessions with the business senior executives and discuss how Vision and Strategy impacts on decision making in the Company.

The final agenda will be agreed prior to commencement of the training, and based on the practical needs of an individual business.
